

## ***Warren Youth Football Blue Demons***

**PARENTS CODE OF CONDUCT  
2010**

---

I hereby acknowledge that it is a condition of registration for my child to participate in the Warren Youth Football Program that neither I nor anyone on my behalf will engage in actions detrimental to the program or abusive behavior toward any coach, official, participant, or representative of the Warren Youth Football Program or the TCYFL Community.

I understand that "abusive behavior" by definition includes but is not limited to, battery, assault, profane language, gestures and comments. Any of such behaviors will not be tolerated.

In the event of a violation of the policy against abusive behavior as outlined above, Warren Youth Football shall take appropriate action, including expulsion or suspension of any player, relative, parent or participants and its decision shall be final.

In the event that any coach, player, spectator, or other participant is banned from attending a Warren Youth Football sponsored event they will be considered "Not in Good Standing". That person may petition the Warren Youth Football Judicial Review Committee for permission to resume attendance and or participation. Before being allowed to attend and/or participate in Warren Youth Football sponsored events, the Board may require proof of completion of anger management counseling or its equivalent.

I(we), have read and agree to abide by the Warren Youth Football Code of Conduct document and understand that my actions may be grounds for my child's permanent dismissal from participating in the Warren Youth Football organization during the current year or in future years.
